(Revised) MEMORANDUM # 19-01

June 24, 2019

TO: Area Agency on Aging Directors
Maryland Access Point Staff

FROM: Rona Kramer, Secretary

SUBJECT: Update on Eligibility Requirements for Select Income-Based Federal and State Programs

The Maryland Department of Aging periodically informs the Aging Network about changes in eligibility criteria for various income-based Federal and State programs that can benefit older adults and adults with disabilities. This memorandum is to alert you about eligibility criteria changes. The attached chart outlines income criteria for “individual” and “couple” households. For larger households, eligibility criteria may be obtained from the individual programs. Dates for eligibility level changes vary by program, and are noted on the chart. Occasionally, new programs are implemented or date changes for existing programs may not align with the periodic updates. MDoA tracks such changes and will endeavor to keep you informed through this memorandum, which is released twice a year in January and July.

To find the latest memorandum and chart, start on the home page of the MDoA’s website, www.aging.maryland.gov. Go to “For Professionals” in the left column, and click on “Eligibility Criteria for Federal & State Programs.”
