Everyone who attends is to dress up, wear a hat, and be ready for wonderful comraderie with other member mothers. They limit the event to 60 people. It will take place on Friday, May 12, 2017, and we have already reached our limit of 60 members signed up for the event.

Interviews/stories/participant feedback: Last year was the first year this event took place. From last year's feedback, I was told it was a truly special event for Mother's Day, was told that the Committee was so dedicated in making it special, and it was fun to dress up and just be a special day for mothers. I was told by most of the participants that it was a first-class event.
