

Do **YOU** know what living with dementia is really like?

Take a walk in their shoes with the Virtual Dementia Tour®

VIRTUAL DEMENTIA TOUR®
YOUR WINDOW INTO THEIR WORLD

This workshop, which offers a hands-on experience that simulates dementia, and includes a debriefing and educational segment, has been created to offer assistance and practical tools to help those who care for someone with dementia.

The Virtual Dementia Tour® is a life-changing experience — a brief, yet powerful, journey — that will provide insight and empathy to help anyone understand the realities of life with dementia.

The program is clinically proven, evidence-based, and a proven source of education resulting in better care for individuals with dementia.
