

Paving the way for a Longevity Ready Maryland

2024 Legislative Quick Wins

“MDOA fought hard to achieve its desired goals during the 2024 legislative session, making significant steps forward in support for older people and their caregivers and advancing Maryland as a state that is longevity ready.”

~Secretary Carmel Roques

Additional Support for Caregivers

A new discretionary MDOA grant program reimbursing certain family or informal caregivers for qualifying expenses.

SB 202

Sponsored by
Sen. Joanne Benson

Investments in Village Growth

Funding for a three-year pilot project will strengthen a group of villages in Montgomery County and promote longer-term statewide village growth.

HB 1103/SB 875

Sponsored by
Del. Sarah Wolek
Sen. Ariana Kelly

Increasing Transparency for Continuing Care Retirement Communities (CCRCs)

Requiring CCRCs to post their disclosure statements so current and prospective residents and their families can stay informed of their rights.
